

Manveen Kaur

UI/UX Designer | Communication Designer

Email: manveen.design@gmail.com | Portfolio: manveenkaur.lovable.app | LinkedIn: linkedin.com/in/itsmanveenkaur

SUMMARY

UI/UX and communication designer with experience designing responsive, conversion-focused websites, brand identities, and layouts through internships, freelance work, and campus projects. Skilled in Figma, Lovable, and Adobe tools, with a user-centered approach to creating clear, intuitive digital experiences.

EXPERIENCE

Web Design Intern, Because

May 2026 – Aug 2026

Ahmedabad

- Designed and developed responsive, conversion-focused websites in Lovable for clients across real estate, education, and other industries.
- Collaborated with clients to translate requirements into intuitive digital experiences.
- Contributed to creative direction, UX, visual design, and implementation using efficient no-code workflows.

Freelance Graphic Designer

Jun 2022 – Present

- Delivered logo designs, Instagram creatives, basic motion graphics, and menu redesigns for clients including iipac, Moxie Engineering Pvt. Ltd., and Chaigaram Cafe.
- Completed additional freelance design projects for a diverse range of clients.

Graphic Designer (Part-time, Remote), Digital Fortuners

Jul 2025 – Sep 2025

- Created Instagram posts, banners, brand kits, and logos for a digital marketing agency.
- Managed a high design workload, client revisions, and changing requirements within tight deadlines.

Illustrator & Layout Designer, The Blend

Jul 2024 – Apr 2025

- Designed layouts for the monthly magazine of Karnavati University, collaborating with the magazine head and fellow designers.
- Redesigned the magazine's logo and visual identity.

EDUCATION

B.Des (Hons.) in Communication Design

Jul 2023 – Present

UID, Gandhinagar
